Dear Representative *[insert your Rep's name]*

The Supreme Court decision in *Gonzales v. Carhart*, permitting a ban on an abortion procedure without any exception to protect the woman's health, is a strong blow to women's reproductive rights.

The recently introduced Freedom of Choice Act would help reverse the trend of increasing restrictions on women's rights by codifying the protections of *Roe v. Wade* in federal law.

As a New Yorker, I am proud that our state has historically been a beacon and leader in women's rights and would like to uphold this hard-earned reputation.

As your constituent, I urge you to co-sponsor H.R. 1964.

Sincerely,
