

Love Your Body Day

What: NOW-NYC'S FIRST ANNUAL "LOVE YOUR BODY DAY" FUNDRAISER EVENT!

Women and Men of New York City -- Come have some drinks and help support the great work of the **National Organization for Women - New York City** by celebrating its first annual "Love Your Body Day" fundraiser with 200 savvy young New York City professionals.

"Love Your Body Day" aims to promote **positive, healthy images of women and girls**, protest harmful and offensive advertisements, and raise awareness about women's health issues.

The goal of celebrating "Love Your Body Day" isn't to sway women from purchasing and wearing cosmetics or trendsetting clothing but to support what makes them feel healthy and comfortable with their bodies, on their own terms.
